Dear Dr. Lederberg:

Thanks very much for your letter of November 25. On looking over my calendar, I find that it will be a little difficult for me to get away before the time that you will be in Chicago. If it should be possible, I can give you a ring, but I shall probably have to plan to see you December 19 or 20. If you have any suggestions as to the time we could get together, I should be glad to have them.

With best regards,

Yours very sincerely,
